TERMS

By clicking "Create", I (a) agree to the legal terms and privacy statement(s) associated with the Marketplace offering(s) listed above; (b) authorize Microsoft to bill my current payment method for the fees associated with the offering(s), with the same billing frequency as my Azure subscription; and (c) agree that Microsoft may share my contact, usage and transactional information with the provider(s) of the offering(s) for support, billing and other transactional activities. Microsoft does not provide rights for third-party offerings. See the [Azure Marketplace Terms](#) for additional details.

Create a virtual machine

✕

OS disk

OS disk size ⓘ

Image default (30 GiB)

OS disk type \* ⓘ

Standard HDD (locally-redundant storage)

The selected VM size supports premium disks. We recommend Premium SSD for high IOPS workloads. Virtual machines with Premium SSD disks qualify for the 99.9% connectivity SLA.

Delete with VM ⓘ

☒

Key management ⓘ

Platform-managed key

Enable Ultra Disk compatibility ⓘ

☐

Ultra disk is not supported with selected security type.

Data disks

You can add and configure additional data disks for your virtual machine or attach existing disks. This VM also comes with a temporary disk.

LUN	Name	Size (GiB)	Disk type	Host caching	Delete with VM ⓘ
<div>Create and attach a new disk</div> <div>Attach an existing disk</div>					

×

Select the subscription to manage deployed resources and costs. Use resource groups like folders to organize and manage all your resources.

 You can now select multiple zones. Selecting multiple zones will create one VM per zone. [Learn more](#)
